on **CHOCOLATE**
WHEELS?

Or

MASCARA
weighing

50 KG?

During the last 15 years Confectioner's «Altuf'evo» excels others in making custom-designed cakes and desserts of any complexity and any style.

We make:

- wedding cakes
- erotic cakes
- cakes for children
- birthday cakes
- corporative and show-cakes
- chocolate paintings
- different desserts and caramel compositions

Wedding cakes

Wedding cakes

Our cakes are very tasty indeed. We do not save on ingredients and make only those cakes, which we would like to order ourselves. Our reputation and number of our customers depends on it.

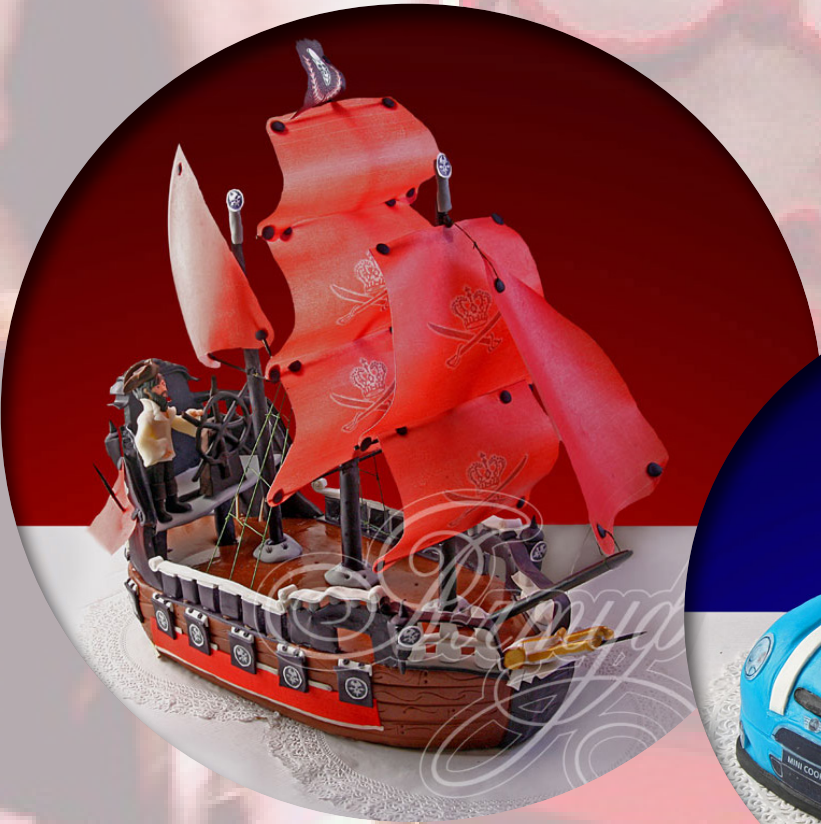

Holiday cakes

Holiday cakes

We put a part of our soul in every present we make. Sometimes, when we are going to make present for somebody who is very special for us, we feel shy and we are afraid to say a word... In such a case like that, the custom-designed cake could be a good present. We can realize any wish you have. It is always possible to express your thoughts and feelings (even if it is hard to say a word) in the design of cake!

Cakes for children

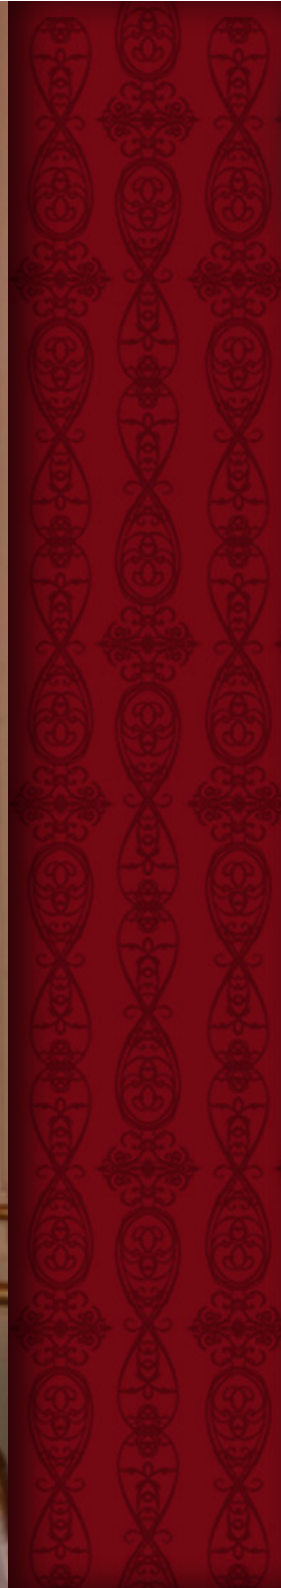

Cakes for children

Look at our wonderful cakes for children. You can order any of them for your lovely child. A real artwork! Your children and their little guests we'll be very glad to receive such present! The cakes are beautiful, and not only outside, but inside too. Huge variety of tastes can win the heart of everyone, who likes sweets.

Show-cakes

Show-cakes

These made-to-order show-cakes – the large celebration cakes for different exhibitions and events – stand out for their brilliance and grandeur.

VIP cakes

VIP cakes

Our confectioners also make VIP-cakes for celebrities. We made cakes for movie-stars, famous actors, pop-singers and show-men.

Sweet gifts

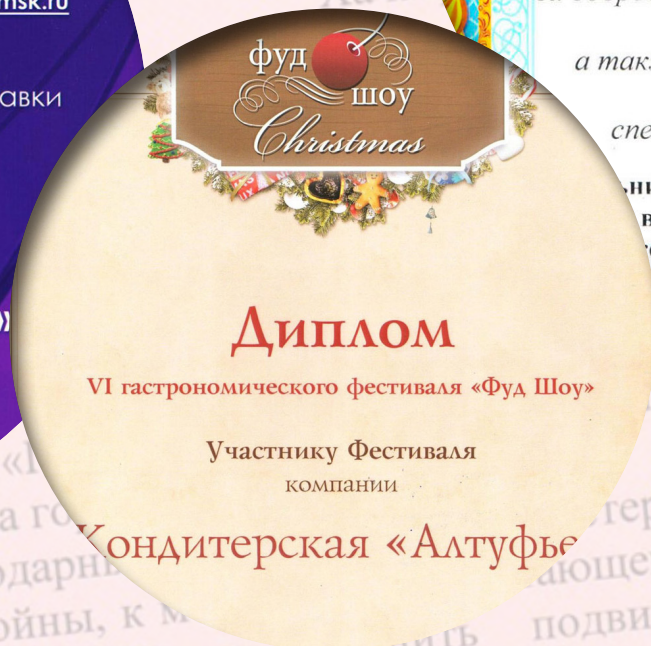

Sweet gifts

The Confectioner's "Altuf'ev" make custom-designed caramel compositions, chocolate sculptures and edible paintings.

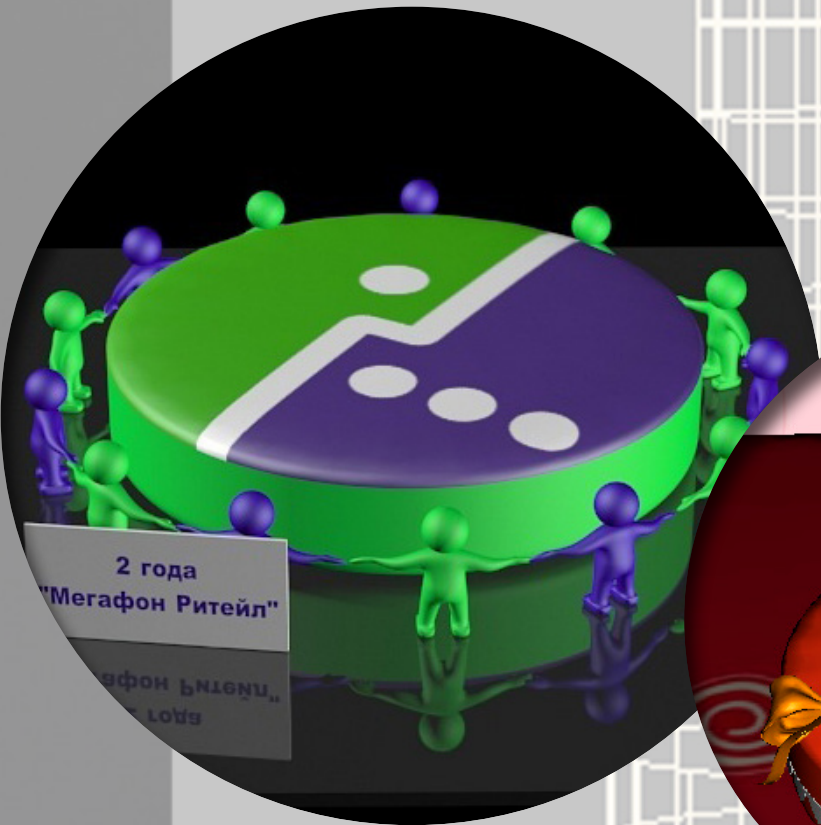

Certificates and diplomas

The quality of our products corresponds to the State Quality Standards. It is confirmed by Certificate of Russian System of Certification (State Standard Specification). Our company takes part in culinary exhibitions and championships. And our designers-confectioners have won quite a lot of awards, thank-you letters and diplomas.

Cakedesigner

The technology of 3D-modeling reached such a high level that we can invite our customers to take part in cake creation themselves. This unique project is patented under the "Cakedesigner" brand-name.

Flavours

Our customers can choose one of 19 suggested flavours. Ordering the multi-tiered cake, you can choose a special flavour for every tier.
